

Study English Online - General English

MAYFLOWER
COLLEGE

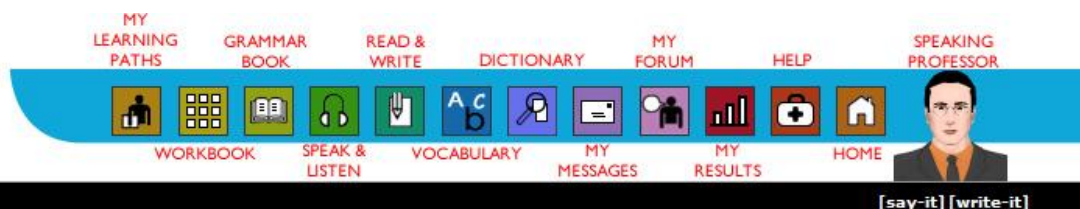

STUDY ENGLISH ONLINE

In today's busy world it is not always easy to commit to fixed dates and times for a traditional face-to-face English language course.

Study English Online gives you the opportunity to study at a time which suits you – the course is there for you 24 hours a day, wherever you are, as long as you can connect to the internet – you can be in the office, at home, at university, at an airport, even on holiday!

The **Study English Online** programme offers an excellent way for you to consolidate and improve your General English language on a self-study basis. There are more than 1000 exercises for you to work your way through and the programme will keep track of all the results of the exercises you complete. You can check your answers at any time.

- **Speak & Listen:** Interactive exercises to practice oral skills. Here you can record your own voice and compare the recording with the model.
- **Read & Write:** Reading comprehension and writing expression activities.

- **Vocabulary:** Games and crossword puzzles to help you build your vocabulary.
- **Dictionary:** Each word you look up in the online dictionary will be recorded in your own **personal** dictionary. You will then be able to make vocabulary revision exercises automatically.
- **Student Tracking:** Here you can easily see what exercises you have completed, the results, etc.
- **'Speaking Professor':** this is very clever! You highlight a word or sentence or paragraph of text and your "online teacher" will speak it back to you! You can even select a man or a woman's voice, American or British English – it's great!
